

Welcome

Marine Safety Corporation (MSC) services and sells Liferrafts. Our Service Station located in Wall, New Jersey is an International Marine Organization (IMO) compliant facility (resolution 18, A.761) and USCG approved facility. MSC is authorized by the major Liferaft manufacturers such as Avon, Crewsaver, DBC, DSB, Elliot, Revere, Switlik, Viking and Zodiac to service and sell their quality products. MSC is able to offer excellent service because of our; fully stocked inventory of manufacturer's parts, adherence to strict quality processes, manufacturer factory trained and certified technicians. Marine Safety Corporation wants our customers to know: Liferaft Service is a function of vital importance. We are fully committed to their safety. Our technicians are the best trained in the industry. We offer pickup and delivery from Long Island to Delaware as well as States of Connecticut, New Jersey, New York and Pennsylvania. We take great pride in our product expertise and take the time to insure our customers obtain the service they deserve. Purchasing and proper upkeep of their Safety equipment is an investment in personal safety. MSC has been a pioneer in the marine safety equipment industry with 60 plus years, servicing inflatable Liferrafts since implemented on merchant vessels in the 1960's. For the past Seventeen years under the same management and ownership. MSC will service Liferaft and Safety equipment. We will meet and review requirements and needs for new manufacturers Liferrafts and Safety equipment. Mike O'Brien President Marine Safety Corporation
